

# SS GROUP PROFILE

S G Marketing Private Limited  
Western India (Sales) Private Limited

# About US

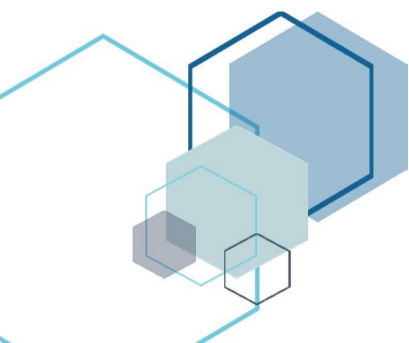

**SS Group of Companies** is a premier sales and service organization representing leading manufacturers of high-tech equipment from India & around the world. With headquarters in Delhi and offices in Secunderabad, we proudly serve a diverse and extensive clientele across India.

**Established in 1981**, our decades of experience have positioned us as a trusted provider of advanced technologies, systems, and solutions in India. Committed to delivering the best possible outcomes for our customers, we collaborate with top-tier manufacturers renowned in their respective fields. Our principals' equipment is utilized by research and development institutions, security forces, public sector undertakings (PSUs), ordnance factories, armed forces, and space research organizations.

We specialize in providing advanced solutions for

- Ballistic testing of weapons
- Ammunition & Ballistic Material testing
- Range design
- Industrial Radiography for large objects
- Lead forming for aerospace and electronics manufacturing industries
- Remote Visual Inspection
- Gun barrel inspection
- Forensics
- Cleanrooms & Cleanroom equipment

Our dedicated team of engineers provides comprehensive service support for equipment supplied by our OEM. We invite you to explore our range of products and contact us with your application details, so we can help you identify the ideal solution for your needs

# Manufacturers we represent in India

**MS Instruments Ltd., UK** are at the forefront of the design of weapon and ammunition testing equipment and ballistic measurement instrumentation for over 40 years. In this specialist field, they are one of the major suppliers in the world. Their excellent reputation for quality and accuracy has helped in making them world leaders in their field. Their products are currently installed at several prestigious research and testing facilities across India.

**HITEC – ZDAJ** a division of NCBJ Poland, which is the National Institute of Nuclear Research in Ottwock, Poland. Hitech manufactures dual and single Energy Linacs up to 15 MeV and Customised Digital imaging systems.

**Manix Manufacturing, Inc. USA** is a leading supplier of Thru-Hole and SMT Assembly equipment for over 30 years. Manix Manufacturing offers flat pack cutting & forming, thru-hole products, assembly aids, robotic lead forming integration and pneumatic lead cutters among other products. Their equipment is installed across multiple ISRO units and other Avionics manufacturing facilities.

**viZaar industrial imaging AG** are globally recognized world leader in Remote Visual Inspection (RVI) products. ViZaar is a specialist in development and manufacturing products that can be used across various applications including nuclear, pipeline, gun barrel, and automotive inspection.

There product range includes a large variety, including standard videoscopes, to unique specialized camera systems which no one else in this field has.

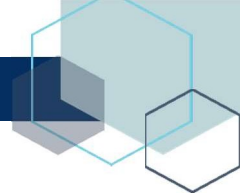

**Schölly Fiberoptic GMBH** is specialist in manufacturing of micro industrial borescopes probes starting from 0.35 mm in diameter. Schölly also has a Full HD Inspection System especially designed for 100% component inspection in the automotive sector.

**Terra Universal, Inc** is the leading manufacturer of critical environment applications, with over 40 years of design and fabrication experience in cleanroom- and laboratory-based industries. Terra manufactures comprehensive lines of modular cleanrooms, pass-through chambers, desiccator cabinets, glove boxes, laminar flow benches and furnishings. Terra also offers laboratory instruments and equipment.

# Our Customer

## Ordinance Factories:

Ordinance Factory, Varangaon  
Ordinance Factory, Badmal  
Ordinance Factory, Bhandara  
Ordinance Factory, Trichy  
Filed Gun Factory  
Small Arms Factory  
Ordinance Factory, Korwa  
Rifle Factory Ichapur  
Gun & Shell Factory  
Gun Carriage Factory  
Central Proof Establishment

## DRDO Units:

Armament Research and Development Establishment  
Terminal Ballistics Research Laboratory  
Defence Research and Development Laboratory  
Defence Metallurgical Research Laboratory  
Advanced Systems Laboratory  
Research Centre Imarat  
Advanced Centre for Energetic Materials  
Solid Fuel Complex  
DRDO Integration Centre

## Private Defence Units:

Indo-Russian Rifles Private Limited  
Premier Explosives Limited  
Stump Schuele & Somappa Defence  
Tata Advanced System Limited  
Hughes Precision Manufacturing Pvt. Ltd.

## State and Center Forensic Labs

**Forensic Science Laboratories** – Bhubaneswar, Karnal, Ahmedabad, Hyderabad, Trivandrum, Delhi, Guwahati, Kolkata, Sagar, Nagpur, Ranchi  
**Central Forensic Science Laboratories** – Chandigarh  
**Directorate of Forensic Science** – Gandhinagar, Mumbai

## ISRO Units / Aerospace:

Space Applications Centre  
ISRO Inertial Systems Unit  
Liquid Propulsion Systems Centre  
ISRO Propulsion Complex  
Laboratory for Electro-Optics Systems  
U R Rao Satellite Centre  
Vikram Sarabhai Space Centre  
IN-SPACe  
Semi-Conductor Laboratory  
Hindustan Aeronautics Limited  
Bharat Electronics Ltd.  
Astra Microwave Pvt. Ltd.  
Data Patterns (India) Ltd.  
Ananth Technologies  
Newtech Aerospace Private Limited  
Azista industries – Division Aerospace  
Gallium Arsenide Enabling Technology Centre

## Our other Customer

Bharat Heavy Electricals Limited, Trichy  
Bharat Heavy Electricals Limited, Hyderabad  
Bharat Heavy Electricals Limited, Haridwar  
Bharat Heavy Electricals Limited, Bhopal  
Nuclear Power Corporation of India Limited  
Naval Armament Inspectorate  
BOSCH India  
Bharat Petroleum Corporation Ltd – Mumbai  
Oil India Ltd.  
TCR Advanced Engineering Pvt. Ltd  
Industrial X-Ray & Allied Radiographers (I) Pvt. Ltd.  
Hertz Testing and Training Centre  
National Institute of Science Education and Research  
Raja Ramanna Centre for Advanced Technology  
TCG Lifesciences Pvt. Limited  
TATA Advanced Systems Limited
